Nor shall any provider of water, sewer or other utilities in Bamberg County provide utilities or services without receipt of a copy of the required Power and Occupancy Permit. In the event a manufactured home must be inspected to determine if it can be identified as a derelict home in accordance with the South Carolina Abandoned Manufactured Home Removal Act (H. 3456), a twenty-five dollar (\$25.00) inspection fee will be required.

ARTICLE 8 - PROCESS FOR APPEALS

Sec 8.1 - Appeal from Permitting Agent.

Any person aggrieved by a decision of the permitting agent may appeal that decision to the Board of Zoning Appeals in writing on a form provided by the permitting agent within fifteen (15) days after actual notice of the decision. An appeal stays the implementation of the decision of the permitting agent unless he certifies to the board that a stay would cause imminent peril to life or property. The board may affirm or reverse, wholly or in part, or may modify the decision by a written order separately stating findings of fact and conclusions of law.

Sec. 8.2 - Variances.

An owner or authorized agent may appeal to the board on a form provided by the permitting agent for a variance from the requirement of this ordinance when the strict application of regulations would result in unnecessary hardship. A variance may be granted if the board makes all of the following findings and conclusions in a written order:

- (a) there are extraordinary and exceptional conditions pertaining to the particular piece of property;
- (b) these conditions do not generally apply to other property in the vicinity;
- (c) because of these conditions, the application of the ordinance to the particular piece of property would effectively prohibit or unreasonably restrict the utilization of the property;
- (d) the authorization of the variance will not be of substantial detriment to adjacent property or the public good, and the character of the district will not be harmed by the granting of the variance;
- (e) the effect of the variance would not allow the establishment of a use not otherwise permitted in the district; would not extend physically a nonconforming use of the land; and would not change the district boundaries shown on the official zoning map.

The fact that property may be utilized more profitably, should a variance be granted, may not be considered grounds for a variance. In granting a variance, the board may attach to it such conditions regarding the location, character, or other features of the proposed structure or use as the board may consider advisable to protect established property values in the surrounding area, or to promote the public health, safety, or general welfare. Failure to begin or complete an action for which a variance is granted within the time limit specified as a condition of the variance shall void the variance.

Sec 8.3 Special Exceptions.

An owner or authorized agent may appeal to the board on a form provided by the permitting agent for a special exception for a use permitted by district regulations as a special exception after review, subject to applicable criteria. The board shall consider the following factors in determining whether a special exception should be granted, in addition to specific criteria in district regulations: (1) traffic impact; (2) vehicle and pedestrian safety; (4) adverse impact of proposed use on aesthetic character of the area; and (5) orientation and spacing of improvements or structures. The board may

prescribe appropriate conditions and safeguards to relieve or reduce adverse impact of a special exception and to protect the character of the area.

Sec. 8.4 Fees for Appeals to Board.

A fee of \$150.00 shall be paid for each appeal to the Board of Zoning Appeals from a decision of the permitting agent, for a variance or special exception.

Sec. 8.5 Appeal to Circuit Court.

A person having a substantial interest in a decision of the Board of Zoning Appeals, or an officer of the County authorized by Bamberg County Council, may appeal to circuit court by petition for review on grounds that the decision is contrary to law, filed with the Clerk of Court and secretary of the board within thirty (30) days after the decision of the board is mailed. Within thirty (30) days after receipt of notice of filing a petition, the Permitting Agent or secretary of the board, with assistance of the County Attorney, shall file with the Clerk of Court a certified copy of the board proceedings, including a transcript of evidence and findings and conclusions of the board.

ARTICLE 9 - PENALTIES

Except as may be otherwise stipulated elsewhere in this ordinance, any violation of this ordinance or violation of an order given pursuant to this ordinance shall be a misdemeanor and, upon conviction, shall be punishable as such. Each day that a violation continues shall be considered a separate offense. Conviction of a violation shall be punishable by a fine of not more than \$200.00, or imprisonment for not more than thirty (30) days, or both for each violation.

ARTICLE 10 - LICENSE, LICENSE DECAL, MOVING PERMITS AND ANNUAL TAX DECAL

Sec. 10.1 License Required for Manufactured Home.

A manufactured home license issued by the licensing agent shall be valid until title to such manufactured home is transferred to a new owner or until the manufactured home is relocated. The license shall be evidenced by a decal to be delivered to the owner or

his agent on such form as shall be prescribed by the South Carolina Tax Commission and shall be displayed on the manufactured home so as to be clearly and readily visible from the outside. The fee for a manufactured home license shall be five dollars (\$5.00), unless an inspection is required whereupon an additional inspection fee of fifty dollars (\$50.00) for a single wide manufactured home and seventy-five dollars (\$75.00) for a double wide manufactured home must be paid. The fee shall be collected by the licensing agent issuing the license and shall be paid into the general fund of the county.

Sec. 10.5 Moving Permit; Certificate Concerning Taxes; Notice to Electric Supplier.

If the manufactured home is to be relocated, the owner shall, prior to relocation, obtain a moving permit from the licensing agent. Before issuing a moving permit, the licensing agent shall require a certificate from the County Treasurer that there are no unpaid taxes due on the manufactured home. If the manufactured home is to be removed beyond the boundaries of the county, any taxes that have been assessed for that calendar year shall be paid in full, and if taxes have not yet been assessed for the calendar year in which the move is being made, the assessor shall provide the county auditor with an assessment and the auditor shall apply the previous year's millage. The County Treasurer shall collect such taxes before issuing the requisite certificate to the licensing agent.

The licensing agent shall promptly notify the present electric supplier that a permit has been issued. The permit required by this section is not required of manufactured home dealers when they are moving a manufactured home from their sales lot to a customer's lot, but the manufactured home dealer is not relieved from obtaining any permit required from the Department of Transportation for the relocation.

Sec. 10.6 Permit Shall Accompany Home During Move; Regulations; Responsibility for Displaying Permit.

The moving permit shall accompany the manufactured home while it is being moved. The moving permit shall be designed and displayed in accordance with regulations issued by the South Carolina Department of Revenue. It shall be the responsibility of the transporter that the required moving permit is properly displayed and accompanies the home while it is being moved.

Sec. 10.7 Submission of Moving Permit to Licensing Agent of New County; Issuance of New License; Transmission of Papers to New County.

If the relocation is from one county to another, the owner, rental agent, or person in possession of the home, within fifteen days after the home is relocated, shall submit the moving permit to the licensing agent of the county in which the home is relocated and obtain a new license pursuant to Section 31-17-320 of the South Carolina Code. The licensing agent issuing the moving permit shall promptly furnish the licensing agent of the county to which the home is being transported with a copy of the certified license application or permit, a copy of the paid tax receipt from the county from which the home is being moved, and either a copy of the certificate of title or a copy of the completed application for a certificate of title submitted to the Department of Public Safety.

A person who violates the provisions of this section is guilty of a misdemeanor and, upon conviction, may be punished by a fine of not less than one hundred dollars nor more than five hundred dollars, or imprisonment for not more than thirty days.
